A team of assessors from the International Association of Campus Law Enforcement Administrators (IACLEA) will arrive on April 24-26, 2022, to examine all aspects of the Florida Atlantic University Police Department's policies and procedures, management, operations, and support services. Chief Sean Brammer announced today.

Verification by the team that the Florida Atlantic University's Police Department meets IACLEA's state-of-the-art standards is part of a voluntary process to gain accreditation for campus public safety professional excellence, he said.

University members, agency employees and the public are invited to offer comments by calling 561-297-2156 on April 25<sup>th</sup> between the hours of 1:00 pm and 3:00 pm. Comments will be taken by the Assessment Team. Telephone comments must address the IACLEA accreditation standards. The IACLEA Accreditation Standards Manual is available on the IACLEA website ([www.iaclea.org](http://www.iaclea.org)). Anyone wishing to offer written comments about the Florida Atlantic University Police Department's ability to meet the standards of accreditation, may send an email to [jmurphy@iaclea.org](mailto:jmurphy@iaclea.org).

The Accreditation Manager for the Florida Atlantic University Police Department is Dr. Sheila Walden. The IACLEA assessment team is composed of experienced campus law enforcement professionals from Florida and New Hampshire. The assessors will review written materials, interview individuals, and inspect facilities. The assessors are Peter Van Agteren, Team Leader, and Allison Jean. Once the Assessors complete their review of the department, they will report back to IACLEA, which will then decide if the department is to be granted re-accredited status.

Accreditation is for four years, during which the department must submit annual reports attesting to continued compliance with those standards under which it was initially accredited. Verification by the team that the Florida Atlantic University Police Department meets the standards is part of a voluntary process to maintain accreditation.
