Associate Provost and Chief Information Officer

APPLICABILITY/ACCOUNTABILITY:

This policy is applicable to all users of University technology resources, including without limitation, telecommunications, networks, email, computing resources and instructional technology resources.

POLICY STATEMENT:

No Expectation of Privacy: Users will be granted appropriate access to all computing resources necessary in conducting University-related business, communications, research and classwork; however, users shall have no expectations of privacy with respect to the use of such resources.

Monitoring or Review of Communications: Communications from University-owned devices, across university network infrastructure, or stored communications on University-owned equipment are subject to review or monitoring for any educational or business reason, including but not limited to
