Thursday Morning Program – 9 a.m.....	

FLORIDA ATLANTIC

Florida Atlantic University was established by an act of the Florida Legislature in 1961 and opened its doors to students in 1964. In addition to its original 850-acre campus in Boca Raton, the University has campuses in Dania Beach, Davie, Fort Lauderdale, Jupiter and Fort Pierce.

FAU's ethnically diverse population includes more than 30,000 students and 1,000 full- and part-time faculty members. The University's 10 colleges—the Dorothy F. Schmidt College of Arts and Letters, the College of Business, the College of Education, the College of Engineering and Computer Science, the Graduate College, the Harriet L. Wilkes Honors College, the Charles E. Schmidt College of Medicine, the Christine E. Lynn College of Nursing, the Charles E. Schmidt College of Science and the College of Social Work and Criminal Justice—offer 96 bachelor's, 74 master's, 3 specialist's and 25 doctoral degrees. To date, the University has awarded 224,442 degrees to more than 192,000 alumni.

In December 1967, FAU was elected to regular membership in the Southern Association of Colleges and Schools. At that time, the Commission on Higher Education of the Southern Association granted full accreditation to all of the University's programs. In accordance with Association regulations, this accreditation was reaffirmed in 1972, 1982, 1992, 2002 and 2013.

COMMENCEMENT

The History of the Mace

The mace, generally made of wood and clad in metal, was used as a weapon during the Middle Ages. Later, as more powerful military arms were developed, the mace became a symbol of authority.

ACADEMIC

Lending color to the pageantry of the commencement ceremony are the academic robes and hoods worn by the faculty and delegates. This regalia dates to medieval times, when it served a functional as well as an ornamental role, separating learned men from other groups and offering warmth and protection.

In late 19th-century America, a conference was held by representatives of colleges and universities to bring more order to the custom of academic dress. Since that time, periodic conferences have taken place to revise or reform existing practices.

Here at FAU, holders of the bachelor's degree wear navy blue robes embroidered with the FAU mark. The color of the tassel indicates the student's college (see listing below). Holders of the master's degree wear black robes embroidered with the FAU mark and hoods lined with the colors of the University, blue and red, and trimmed with the color of the student's college (see listing below).

Holders of the doctoral degree wear custom-designed FAU regalia. The black robes have panels and sleeve chevrons in blue velvet outlined in red piping. The doctoral hoods are lined with the colors of the University, blue and red, and trimmed with the color of the doctoral degree. Holders of degrees from foreign universities or religious orders wear the entire academic costumes as decreed by the conferring institutions.

President Stacy A. Volnick wears presidential regalia. The four chevrons on the sleeve of her robe are used only by university presidents. Members of the FAU Board of Trustees wear regalia with the University's seal and colors, blue and red.
